# E0200 Admission

Western Technical College provides access to post-secondary education to all who are eligible in accordance with statutory requirements, existing policies of the Wisconsin Technical College System (WTCS), and licensing and accrediting organizations.

An application and application fee are required for individuals to be admitted to the College. The College reserves the right to waive the application fee under certain circumstances.

Individuals applying for a program that leads to a degree or certificate must meet the following requirements:

- Have completed a high school diploma; and/or
- Have the recognized equivalent of a high school diploma; and/or
- Be beyond the age of 16, the age of compulsory school attendance in Wisconsin.

Individuals seeking a credential in specified programs must submit their high school transcripts unless waived by the College.

Students who leave the College for three (3) or more consecutive terms must file a new application and comply with all requirements.

In accordance with the College's harassment and nondiscrimination policy, Western follows all local, state, and federal law.
